Aim	Vision	What it Looks Like
Curious Learners Value: Wonder	To generate curiosity about what we teach and allow it to take hold into something that becomes a passion for lifelong learning for all of our children. Openly involve them in their learning by meeting them where they are and then showing them where they can go exploring their interests, expanding upon their ideas, and engaging them in meaningful dialogue which encourages them to fully engage with owning and developing their own learning.	<ul style="list-style-type: none"> • Model curiosity as much as possible • Teach children to ask the best questions • I Wonder questions to be used by children and staff (including marking) • Give children the opportunity to think critically • Use enquiry based approach to lessons • Let learning be collaborative • Children have an input into choosing topics and curriculum • Give children challenges to solve • Help children to 'fail' usefully and positively
Courageous Learners Value: Resilience	To cultivate a growth mindset from the perspective of building courage, encourage failure by modelling it and showing how to reframe events in a positive light, so children are willing to try new things whilst embracing failure and the opportunities it brings. Let the children learn to have control over their own actions, including trying again if they don't succeed.	<ul style="list-style-type: none"> • Bronze, Silver, Gold Tasks • Challenge • Growth Mindset • Marking policy • Have a weekly sharing group, enabling students to share their beliefs, feelings and experiences, giving them opportunities to test their courage and find their voice.
Independent Learners Value: Truth	We will develop our children into independent learners to empower them to take control of their own learning – both inside the classroom. Teachers have faith that our pedagogical approach cultivates independent habits of mind in the students we teach and the children want to explore the truths of the world for themselves.	<ul style="list-style-type: none"> • S.P.O.T. • Self-assessment
